A note from the Campus
Pastor...

**Brian
Vasil**

I believe that if we can get our friends, family, or co-workers to join us online for Easter, big things can happen...SO here is my challenge. I am asking YOU the Internet Campus to send out 10,000 E-vites campus wide. If you do the math...we have 1500 of you that connect each weekend....that's 7 invites per person... Do me a favor...when you send your e-vites (see link above) - let me know how many you were able to send...Let's connect the world and make a Kingdom impact! - Pr. Brian

The screenshot shows the website's front page for Easter Weekend '09, dated April 10th-12th. It features a photo of Troy Gramling, the Lead Pastor, sitting and smiling. The page includes navigation icons for 'Play Video', 'Times & Locations', 'Evite', 'WebTools', and 'ENTER SITE'. The website URL, www.flamingoroadchurch.com, is displayed at the bottom.

EASTER IS COMING... It's Even Easier to E-vite!

Check out the front page of www.flamingoroadchurch.com (see above)! We are making it even easier to invite your friends to join you for Easter services online! Simply go to the website...click the EVite button...and send an invitation to everyone in your address book!

While you're at it...jump over to www.frclive.tv and sign up for BEACH BAPTISM! If you have committed your life to Christ and would like to take that next step of obedience...we'd love to set up your baptism! You can get baptized at the beach Easter morning...or online! Only a few weeks left...sign up today!

It Matters

For the past couple of weeks, Pastor Troy has been talking about an opportunity to partner together financially. The goal of "It Matters" is to fund future campus growth...to give to something that will impact the world! I invite you to pray over this - and when you're ready head to:
